The Student Council is a group of reliable people chosen by their fellow students in their respected home-rooms to represent them at Student Council meetings. This year, once again, the Student Council sponsored a very successful Valentine's Day Cupcake Sale. With the profits of the cupcake sale, they rented an entertaining film for the entire student body to watch. We hope that next years' Student Council is as productive as this years'.

The members of the National Honor Society are a select group of students chosen for their qualities of leadership, scholarship, character, and service. New members are sworn in at an induction ceremony in the spring. An annual field trip is taken, and a luncheon is given in honor of these students. Being chosen as a member of this group is an honor to be very proud of.

# CO-OP

Many senior members of the Business Course participate in a program called CO-OP. This program gives these people a chance to gain experience in the working world. Their sponsor, Mrs. Marion Zargo, places the girls in various businesses throughout the town where they work for half of the school day during a six week period near the end of the year. This is a rewarding experience for these girls, and Mrs. Zargo definitely deserves a great deal of credit for all her hard work.

Wilson, C. Lanterme, N. Sinka, T. Warnick. 1. "How do you work this stupid machine anyways?" 2. "I can't believe I made such a stupid mistake!"

# Ushers

The cheerful girls who escort the spectators to their reserved seats at Veterans Memorial Field during football season belong to the Ushers Club. During cold, bitter evenings, these girls arrive early at the stadium in order to prepare for the arrival of the first fan. Besides just escorting spectators to their seats, they have the task of removing students who have sneaked into another person's seat. These girls get little, if any, recognition. They deserve praise for the fine job they have done.

The Program sellers are a very important group of girls organized for the benefit of our football team. What would the spectators do if there were no programs? How could they find out who was making those great raffles? Whether it's raining, snowing, or just plain freezing outside, these girls provide the service which enables the spectators to have easy access to the players' statistics.

# Leechburg Youth For

The Leechburg Youth for the Handcapped is one of the newer organizations in our school. The group was formed to aid the handicapped children of our community. The members of the group tried to involve themselves with these children by becoming participants in community projects. Through their experience, they hope to gain the satisfaction of achievement

The Library Aides are a big help to the students and Mr. Ferrari. They give up their studyhalls to work in the library filing books, finding magazines, and helping students use the card catalog. Although everyone appreciates the work the Library Aides do, they do not get the credit they deserve.

The Buhl excursion always proves to be a real learning experience for everyone.

# L e a d e r s

The Leaders Club is composed of talented girls willing to give up their studyhalls to help Mrs. Vigo. Whether they are dancing, playing basketball, or helping other students with gymnastics, the task is never too difficult for the girls. Mrs. Vigo, as well as the students in their gym classes, usually appreciate the assistance of these girls. Being a member of the Leaders organization reaches leadership as well as handling responsibilities.

# Courtesy Club

The Courtesy Club plays a vital part in the smooth running of the office. The members of this group perform tasks such as delivering films, going to the Business Office, walking downtown, and any other odd job that needs done. This year, boys were included in the club again and still provoked a few smiles when they delivered absentee sheers. The main purpose of this organization is to free Mrs. "D." from minor errands and to leave her with more time to perform the difficult tasks of being the high school's secretary.

The organization was very active this year. Field trips were taken, necklaces were sold, and Christmas decorations were made. The school was richly dressed for the holiday season due to the hard work of these talented students. Throughout the school year other projects were shown in the display cases to be enjoyed by everyone. With the fine instructions of Mrs. Yajko, the students of the Art Club learned to use their talents in many different ways.

The writing staff is responsible for the news, features, and sports articles and the layout of each paper. The business staff types, distributes, and advertises the paper. The photographer, George Clowes, and the artist, Rurick Thiele, are called on for their assistance for each issue. # Minetas

This year's MINETAS staff consisted of hard working Junior and Senior girls. They started work on the yearbook last May, and because of this early preparation quite a few changes were made. For the first time in MINETAS history, the senior pictures are in color. The main concern of this year's staff was innovating new ideas and bringing a look of variety to the book. This year was not all work and no play though. The MINETAS staff tried a new idea by using a disc jockey for their Christmas Dance, and they also sold posters and keychains to raise money. With the help and guidance of Mrs. Walker, the Yearbook Advisor, and Barb Ray, the Staff Editor, this year's MINETAS was a winner. Memories of preparing this MINETAS will shine for many years to come.

# MUSIC

Many students in our school displayed their talents at many choral and band festivals. These students broadened their musical ability by participating in various festivals. Also, they used these opportunities to make friends across the state. Although the rehearsals were often long and hard, the students agree that all of the festivals were great fun as well as educational.

The Leechburg Blue Devil Marching Band has once again completed a successful season at halftime performances. Beginning in August, band members gathered on the West Leechburg field to start preparing for the upcoming football games. During hours of practice, the band slowly learned the drills and music for the first halftime show. On the night of the first football game the band entertained the crowd with a super performance. As the season progressed and the halftime show changed, the band continued to display their talent at football games and two band festivals. Although occasionally having to deal with muddy fields and low temperatures, the marching band ended the season with a record of first-rate performances that every member should be proud of.

# Silks

The Silk line started practice in early June for the 1979 Football Season. They sold hoagies in Mid-July to pay for their uniforms and their camp fees. The four days at camp, held at Chatham College, helped the girls in many ways. This year they performed two featured routines to "What I Did For Love" and "Grease." The girls' hard work resulted in very good performances. This years squad deserves much credit for a good performing job throughout the marching season.

# Pom-Poms

Under the direction of Rosann Yurchick, Head, and Colleen Phillips, Co-head, this year's Pom-Pom squad began practices in early June. In July they sold hoagies to raise money. Some of the money was used to help finance the four days spent at camp held at Chatham College. The remainder of the money paid for the new metallic pom-poms. Once school resumed in the Fall, practices continued, but were held in the evenings. The many long, hard practices paid off when the girls were given the chance to display their talents in the first "white-glove routine" to "Basin Street Blues". Although being a member of this year's squad took a lot of work and time, these girls will cherish the memories of this year's marching season.

This year proved to be a very productive one for the Senior Majorettes. Going to majorette camp for the first time started off the preparation for the season. A hoagie sale, morning practices, and band camp added to the hours of work involved with the majorette line. This year the group performed more difficult twirling routines than in the past. The new lighted batons became a favorite among the majorettes — even though they were green. With the leadership of Marcia Olshansky and Barb Ray, the line perfected routine after routine. "Soul Man Fever" plagued the majorettes and everybody actually wanted to practice the peppy dance to this popular tune. Through the cold and mud, the Senior Majorettes twirled and danced their way through every performance providing lively entertainment for the crowds.

The Junior Varsity Majorettes are a talented group of 8th and 9th grade girls. After many long and tiring practices, they got the chance to show their stuff. They marched at a junior high game as well as a junior varsity game to provide entertainment for the audience. Under the leadership of Christine Contino and Tracy Goedicke, the J.V. Majorettes completed a very successful season.

The Junior High Cheerleaders are an enthusiastic bunch of 8th and 9th graders. They show their support for the junior high and 7th and 8th grade football teams. Cheering at the pep rallies added excitement to their job of promoting school spirit. After many hard practices under Debbie Daugherty's guidance, the squad finished the season with many fine performances.

# VARSITY CHEERLEADERS

This year, the Varsity Cheerleaders succeeded in promoting spirit throughout the student body. Their hard work started last May in preparation for cheering camp to be held in June at Indiana University of Pa. After camp was over, the Blue Devil Cheerleaders came home with two blue ribbons and one red ribbon, honors which any group can be proud of. Along with the hard work there were many good times. The cheerleaders always enjoyed performing the funny and entertaining skits at the pep assemblies. One skit that everyone will remember was the pillow people. When one unknown pillow person fell on its bucket "bleep," the crowd totally lost it. Under the enthusiastic leadership of Patty Hadel, the girls completed a superb season. The entire student body and faculty appreciate all the hard work and efforts promoted by the cheerleaders. Thanks girls, for another JOB WELL DONE!

Shooting for the stars, shooting for the AIC East Title, again. The 1979 Blue Devil Football Team had everything it would take to do it again; an effective offense, a powerful defense, a good coaching staff, and most of all, the desire to win. Only one team would stand in their way, the Freeport

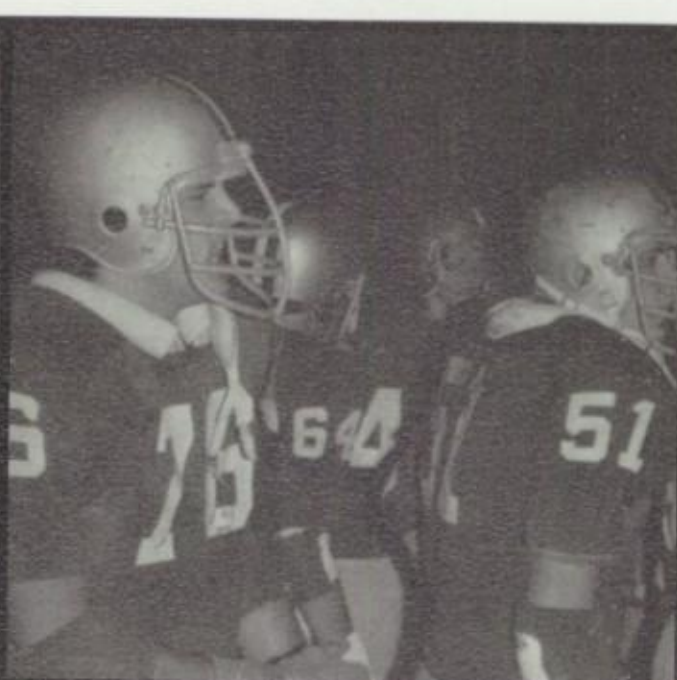

Yellowjackets. The Devils lost to Freeport 28-0, thus ending their hopes for another AIC East Championship. The team finished 8-2 overall and, all in all, had a very productive season with eight players being chosen for the *All AIC Team*. Don Houser, a senior running back was also chosen as AIC East "Player of the Year."

In 1969, the idea of Homecoming at Leechburg was initiated. The week previous to the Kittaning game, held on September 21, 1979, was filled with excitement and fun for the six girls chosen to the Homecoming Court. Now, in 1979, just ten years and ten queens later, Jeanne Mahaffey was bestowed the honor of being chosen Homecoming Queen of Leechburg High School.

When I was chosen to be part of the 1979 Homecoming Court I never imagined that I would be chosen queen. Since the game was postponed until Saturday, the anxiety and anticipation became almost unbearable. When the night finally arrived, it was filled with excitement but also fright. When my name was announced over the loud speaker, my heart nearly stopped beating. That night turned out to be one of the most unforgettable experiences of my life. It leaves me with many fond memories to cherish. I am very proud to have been chosen the 1979 Homecoming Queen and hope to be worthy of this honor. Since none of this would have been possible without the support of the senior high students, I would like to thank everyone who voted for me and made that night so memorable.

A man's reach should exceed his grasp. Go for the moon. If you don't make it, you'll still be heading for a star. The '79 - '80 Boys' Team did just that. They challenged and fought their way to a winning season, setting two new school records along the way. Dan Robison set a new point record with forty-one points in one game and Jeff Swartzlander set a new rebounding record with twenty-six rebounds in one game. Ron Lamendola also broke the one thousand point mark in a career this season. On February ninth, the First place Dayton Lions roared into town, only to be dominated by a fired-up Devil team. This win was a major stepping stone to a play-off birth. For the first time in a long while, the Blue Devil Team completed a very successful season to be proud of.

Ending the regular season in a three-way tie for first place, the Blue Devils headed into a tie-breaker series. After losing the first game to Dayton, the Devils bounced back and eliminated Sr. Joe's 91-48, thus gaining the runner-up spot in the section. In the first round of the play-offs, the boys were defeated by a beggar, and somewhat better, Father Giebel team. The Boys' efforts should not go unmentioned, for they gave everyone at LAHS an exciting and entertaining season that will be remembered by all.

# Jr. High Basketball

This year's Junior High Team played with future aspects. They didn't have a winning season but, never the less, the team prevailed in spirit. It was more or less a year of experience in learning basic basketball plays, techniques, and fundamentals that will be helpful in future years at L. A. H. S. The pre-season started off slow with a 1 - 3 record then the "Fighting Freshmen" "bounced back" with a four game winning streak, opening their regular season play. The streak was broken when they lost to Kittanning, then lost the next four out of five games - ending their season with a 6 - 8 overall record. However, the team is looking ahead to a winning season on the J.V. Squad next year.

 cheerleaders & everything  
 else R. M. or L. L.  
 I hope I'll see  
 you out the pool  
 & let cheerleading  
 practice start  
 early

To Linda,  
To a nice (well built)  
Person who I met last year

you sat behind me in English and  
beide me in study hall and I  
made you sorta sick with my  
hittler signs.

mind from am.

TO LINDA  
TO A VERY  
NICE AND  
PRETTY GIRL  
I MET THIS  
YEAR I  
HOPE WE  
CAN  
ALWAYS  
BE  
YOUR  
FRIEND

TO LINDA,

THE GREATEST FRIEND IN THE WORLD. (Ha Ha) Just kidding.  
NOW LET'S SEE WHAT CAN I REMEMBER. OH, YA, ALL OF RUMBALLS?  
HISTORY TEST, MID QUARTERS, S.H. AND MOVIES THAT DIDN'T HAVE  
ANYTHING TO DO WITH WHAT WE WERE STUDYING. WHAT ELSE  
CAN I REMEMBER, I DID NEED A CHANGE OF COLOR I GUESS.  
JOANNE IS WAITING FOR THIS BUT I DON'T CARE BECAUSE THIS  
YEAR I'll FINISH IT ~~WHILE~~ WHILE SCHOOL'S still in session  
REMEMBER ALL OF MR. L...'S BORING CLASSES. I don't think we  
really learned anything in his class, except for you not liking  
to be called a "DEGO". So what else CAN I REMEMBER WE  
DID. CHEERLEADING, ON THE BASKETBALL BUS SUE & JAMIE. I  
really thought that was ignorant. All the games we went  
to that it rained and we all looked like rats that came  
out of a sewer. I can't wait till we have that dance marathon  
I hope it's funner than the one last year. AS I write this  
I see you and John laying on the floor in the chorus  
room. It looks like your elbow is "where it hurts". IF you know  
what I mean. ↑ ↑ ↑ ↑

I hope your feet were as sore as mine after the concert  
mine hurt like h--l and then serving at that ~~sp~~ Dinner  
I can't spell long noodles ~~with~~ with sauce Ha Ha  
Remember Leo's at 6:00 in the morning ~~after~~ and after every  
Sat, Morning practice. Can we "do it" every morning of the  
last week of school. I hope so. Don't take that ignorantly.  
You and John look like you'll go far and I hope you  
do. As far as you want to gooo ooo.... IF you get my  
drift. I can't wait till the pool this year. Thanks  
for everything you helped me with. like problems with  
certain people and personal problems well I hope Christy  
Dries up and dries and never comes back. well the  
bells going to ring bye

Love Always  
Joanne  
not Personal

PS, I hope you and John  
go as far and as long  
as you can
